The Chamber Pension Plan is a democratically managed plan in the Cayman Islands. This unique structure places the decision making in the control of the plans' membership. For this structure to work, your involvement and participation at the meetings is essential either as a trustee volunteer OR to vote for your chosen representative.

Visit our website at WWW.CHAMBERPENSION.KY for further information and to view a current list of trustee candidates. Trustee nomination and attendance proxy forms are also available on our website.
